Please read at your October meetings!

Dear Al-Anon Friends,

We, as Al-Anon members, have so much experience, strength and hope to share with those who are still suffering from the effects of the disease of alcoholism.

The purpose of the Al-Anon Information Service (AIS) Committee is to ensure that when someone reaches out for help, they know that the hands of Al-Anon and Alateen are always there.

AIS does this in several ways. Among these are:

- Maintain a local phone number and answering service to receive calls and give information about Al-Anon & Alateen
- Maintain a PO Box so we can be registered with World Service Office
- Publish and maintain a current schedule of WNY Al-Anon and Alateen meetings ● Coordinate institutions' meetings and requests for information
- Public Outreach to local schools, medical doctors and mental health professionals
- Maintain a literature depot for ready distribution of Conference Approved Literature
- Providing a voice and a vote on behalf of our area at the NYN Area World Service Committee meetings

Please consider "Passing the Pumpkin" in each of your October meetings as a fundraiser for AIS to support our ongoing efforts to support you, your group and those yet to join you.

Thank you for your consideration!

Please make the check out to WNY AIS and add the memo as pass the pumpkin fundraiser.
