

18th Annual Cataract City Convention Al-Anon Basket Raffle

March 20 – 22 2026

Sheraton at the Falls

It's Basket Time again!! We had amazing support from our Al-Anon members at the Fall Convention, we're hoping to do it again! So many members were very generous in their donations – the baskets were creative and beautiful which created a lot of excitement among the attendees.

A nice basket or container can often be the best part of a basket! Some examples are, a Wooden Bowl, Cooler, Charcuterie Board or Planter. Large, full baskets attract the most attention
