Basket Raffle Donations Needed!

It's basket time again! Our previous Fall basket raffle was a wonderful success thanks to the amazing support of Al-Anon members. The baskets were fun and brought a lot of excitement to the attendees.

Because the basket raffle is one of Al-Anon's main sources of income, we are hoping groups and individuals will consider donating baskets again this year.

Things to think about to make the most out of our raffle this year

A nice basket or container can often be the best part of a basket! Some examples are, a Wooden Bowl, Cooler, Charcuterie Board or Planter. Large, full baskets attract the most attention, don't be afraid to get creative!

Here are some basket ideas to help you get started!
